

BOARD MEMBER
REQUEST FOR
INFORMATION

COVER SHEET FOR INFORMATION
PROVIDED TO A BOARD MEMBER

[Describe the specific type of District information, documents, or records requested by and provided to the Board member in his or her official capacity.]

Information requested: FWISD staff w/ no high school diploma that make over \$30,000 per year. Include the job classification and person to whom they report.

Date information was requested: June 30, 2015

Date information was provided: July 1, 2015

CHECK ONE:

You are being provided information, documents, or records in your official capacity as a District Board Member. Please be advised that the attached may contain confidential information that properly may be withheld from members of the general public in accordance with the Texas Public Information Act or other law. The information is provided for use only in your official capacity as a Board member and may not be shared with unauthorized District employees, members of the public, or others unless authorized by the Superintendent or by Board action.

The information contains confidential student information, records, or other personally identifiable confidential records not necessary for inclusion in scope of the request. As such, any information not necessary for inclusion in the scope of your original request has been redacted.

If you have questions regarding the attached records, please contact the Superintendent or other designated custodian of records, if applicable.

Signature of Board Member: Emailed Date: 7/2/2015
